PURPOSE

To ensure school staff understand their supervision and yard duty responsibilities.

SCOPE

This policy applies to all teaching and non-teaching staff at Strathtulloh Primary School, including education support staff, casual relief teachers and visiting teachers.

POLICY

Appropriate supervision is an important strategy to monitor student behaviour and enables staff to identify and respond to possible risks at school as they arise. It also plays a vital role in helping schools to discharge their duty of care to students.

The Principal is responsible for ensuring that there is a well organised and responsive system of supervision and yard duty in place during school hours, before and after school, and on school excursions and camps and other school activities.

School staff are responsible for following reasonable and lawful instructions from the Principal, including instructions to provide supervision to students at specific dates, times and places.

Before and After School

Strathtulloh Primary School's grounds are supervised by school staff from 8am until 2:45pm. Outside of these hours, school staff will not be available to supervise students.

Before and after school, school staff will supervise the school entry gates area.

Parents and carers will be advised through notification on our school website, regular reminders in our newsletter/communication method, Compass and social media that they should not allow their children to attend Strathtulloh Primary School outside of these hours. Families will be encouraged to contact the Outside of School Hours Care provider

for more information about the before and after school care facilities available to our school community.

If a student arrives at school before supervision commences at the beginning of the day, the Principal or nominee staff member will, as soon as practicable, follow up with the parent/carer to:

- advise of the supervision arrangements before school
- request that the parent/carer make alternate arrangements.

If a student is not collected before supervision finishes at the end of the day, the Principal or nominee staff member will consider whether it is appropriate to:

- attempt to contact the parents/carers
- attempt to contact the emergency contacts
- place the student in an out of school hours care program (if available and the parent consents)
- contact Victoria Police and/or Child Protection to arrange for the supervision, care and protection of the student.

Yard Duty

All staff at Strathtulloh Primary School are expected to assist with yard duty supervision and will be included in the weekly roster.

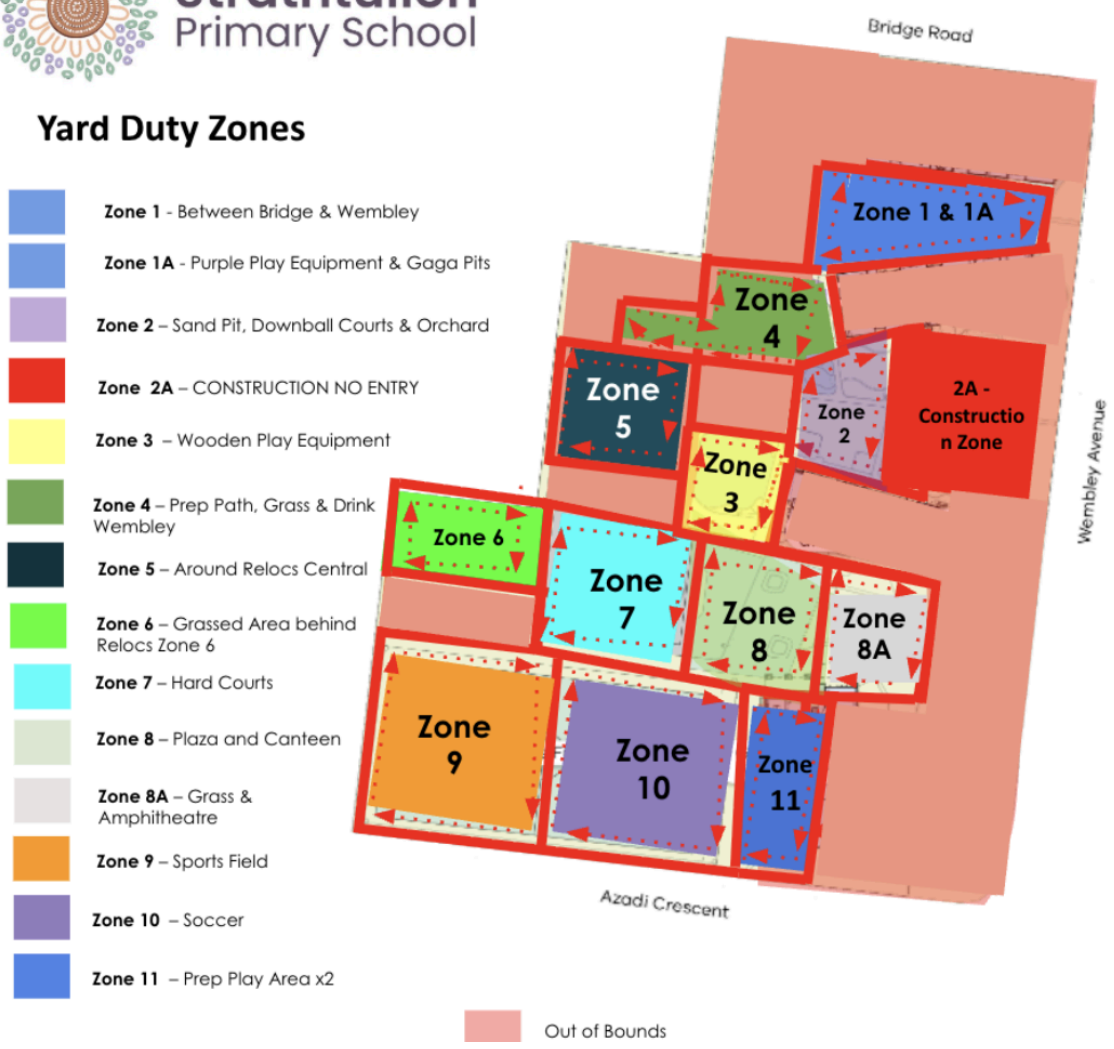

The Daily Organiser is responsible for preparing and communicating the yard duty roster on a regular basis. At Strathtulloh Primary School staff will be designated a specific yard duty area to supervise.

The designated yard duty areas for our school (as at Term 2, 2026) are:

Yard Duty Responsibilities

Staff who are rostered for yard duty must remain in the designated area until they are replaced by a relieving staff member or it is the end of the break.

During yard duty, supervising school staff must:

- methodically move around the designated zone

- log any incidents or near misses as appropriate on the appropriate Chronicle or form.

If being relieved of their yard duty shift by another staff member (for example, where the shift is 'split' into 2 consecutive time periods), the staff member must ensure that a brief but adequate verbal 'handover' is given to the relieving staff member in relation to any issues which may have arisen during the first shift.

If the supervising staff member is unable to conduct yard duty at the designated time, they should contact the Daily Organiser staff member with at least 24 work hours notice prior to the relevant yard duty shift to ensure that they have made alternative arrangements.

If the supervising staff member needs to leave yard duty during the allocated time, they must contact the Daily Organiser staff member but should not leave the designated area until the relieving staff member has arrived in the designated area.

If the relieving staff member does not arrive for yard duty, the staff member currently on duty must contact the Daily Organiser staff member and not leave the designated area until a relieving staff member has arrived.

Students will be encouraged to speak to the supervising yard duty staff member if they require assistance during recess or lunchtime.

Hubs & Relocs (Classroom & Specialist)

The Teacher is responsible for the supervision of all students in their care during class.

School Activities, Camps and Excursions

The Principal and leadership team are responsible for ensuring that students are appropriately supervised during all school activities, camps and excursions, including when external providers are engaged to conduct part or all of the activity. Appropriate supervision will be planned for school activities, camps and excursions on an individual basis, depending on the activities to be undertaken and the level of potential risk involved, and will follow the supervision requirements in the Department of Education Excursions Policy.

Strathtulloh Primary School follows the department's Digital Technologies - Responsible Use policy with respect to supervision of students using digital devices.

Strathtulloh Primary School will also ensure appropriate supervision of students participating in remote and flexible learning environments while on school site. In these cases, students will be supervised by a teacher or an Education Support staff member who has direct access to a VIT registered teacher in the Library or breakout area of their Hub/Reloc.

- student attendance will be monitored daily
- any wellbeing or safety concerns for the student will be managed in accordance with our usual processes – refer to our Student Wellbeing and Engagement Policy and our Child Safety Responding and Reporting Policy and Procedures for further information.

Students Requiring Additional Supervision Support

Sometimes students will require additional supervision, such as students with disability or other additional needs.
